## IS GIRL-GIRL SEX EXTINCT?

Dear *Voluptuous*,

As a long-time reader of both *Voluptuous* and *SCORE*, I've noticed that the success of the *Xtra* sections has seemed to mark the demise of the girl-girl pictures.

Although I wrote in years ago pleading for you to lose the old-style, fake girl-girl photos and get those girls really having sex, now I even miss seeing two busty babes having fake sex. I'm still a bit perplexed as to why you have given up the girl-girl pictorials. Clearly, readers enjoyed them, and even with hardcore, is there not room for some good quality girl-girl sex in *Voluptuous* and *SCORE*?

Again, even boring, fake girl-girl sex would satisfy a girl-girl starved reader like myself.—J.R., New York

Dear J.R.: We haven't totally abandoned the girl-girl pictorials,

though you are correct in noting that the frequency has been less than in years past. We just had Brandy Talore and Angela White in a muff-diving affair, so that's a good start to getting more in *Voluptuous*, and we do plan other girl-girl pictorials in the future, so watch for them.

## INCREDIBLE NEWCOMERS

Dear *Voluptuous*,

I haven't written you in a few years, but I have to thank you for the Nov. '04 issue. Joana is an incredible newcomer. You're right to say that she has a good chance of becoming 2004's Newcomer of the Year. The size, firmness and shape of her breasts are amazing and look so artistic that they could have sprung from gelatin-molds. I think Sharee Sweet is another top contender for 2004 Newcomer of the Year, although her breasts are floppers when compared to Joana's. It's fun to see how such contrasting breast types can both be turn-ons. Does this mean that breast size is the ultimate aphrodisiac? It is for me.

Among the returnees, it was a pleasure seeing Michelle again after her long absence, looking as beautiful as ever. Cherry Brady is, as always, hard to describe. You said she doesn't qualify as a plumper, but I think 153 pounds of woman flesh on a 5'3" frame makes a plumper in almost anyone's book. What's deceptive about Cherry is that she manages to pack all that scrumptious flesh in just the right places to give her the look of a pagan fertility goddess. The man who can put her secret in a bottle will enjoy wealth beyond his dreams.

The one picture that really revved my engine in the Nov. '04 *V-Mag* happened to also be one of the smallest in the issue. I'm talking about the

Have girl-girl pictorials become extinct? Nope. In fact, you'll be seeing plenty, including *Voluptuous* favorites like Angela White and Brandy Talore getting it on.

small photo of a very pregnant Denise Davies in the *V-Mail*. Please tell us you'll be running a pictorial of Denise in her gloriously pregnant state.

I'd also like to see more lactation. Emilia has shown a few drops, and Letha Weapons showed some a few years ago in *SCORE*, so why not open the flood-gates every now and then? I really do hope you'll consider letting preggies and milkers in your pages. You're not anti-motherhood, are you?—F.M., Pasadena, California

Dear F.M.: We're not anti-motherhood. We just don't get enough pictures of the good gals like Denise Davies all juiced up in full bloom. Trust us, if we had more, we'd show them. As for Denise's prego pictorial, yes, we will be showing her in all of her glory in a 2005 issue.

### 1ST LETTER IN 12 YEARS

Dear *Voluptuous*,

I have been purchasing your fine publication since the third issue, but have only recently become a subscriber. I'm certain I picked up one of the first two issues, but didn't buy it because I was turned off by the "All Plump" on the cover. How I wish I had those first two issues now!

I started out buying *SCORE* regularly, but once I bought my first *Voluptuous*, I was hooked for good.

Over the years, I have imagined many things I might say in letters to V-Mail, so I'm sure I could write a lengthy first letter. However, I decided it would be best to split my thoughts into several shorter letters over a period of time.

Let me start by saying that *Voluptuous* has been the best magazine on the market since it came out. The highest quality in all regards—models, photography, layouts, and best of all, the high percentage of pages with photos. Nobody else is even close.

I really love your Model of the Year competition. It's a great way to showcase the hottest models in the holiday issue and the May issue.

As far as the 2003 competition, Nicole Peters surely would have won Model of the Year if not for the new rule that she is only eligible for the Newcomer of the Year. She is way hotter than Sharday, who won in her first year. The only consolation for me is the certainty that Nicole will be the 2004 Model of the Year. It was also nice to see Kerry Marie finally get some recognition. But how about poor Linsey Dawn? She's been in second or third place almost every year. After all of these years, it doesn't seem likely she'll ever win Model of the Year, so I say give her a Lifetime Achievement Award or some other special recognition. The same for Chloe who hasn't even made the ballot the past few years. That's too bad because I think that she's been getting sexier with age.

Finally, allow me to mention a few

likes and dislikes.

Likes: Preggers, milkers, titty-tugging, saggers, big nipples, big areolae, dark areolae, and gapers.

Dislikes: Super plumpers (fatties) and pictorials with food, paint or anything else that hides my view.

And yes, Michelle Bond certainly belongs in *Voluptuous*. How can you even ask us a question like that?

Kind Regards.—B.D., New Jersey

## MEET TAYLOR STEVENS

Dear *Voluptuous*,

I had to write and tell you that my motor is still running over your new super-plumper from the Sept. '04 issue, Taylor Stevens.

My god, she is an angel with a 40EE bust. Everything about her is perfect. Beautiful face, gorgeous hair, voluptuous body, clean-shaven pussy, and nice, lightly-tanned, smooth skin.

Her face is so gorgeous, and looking at her pictures I see a resemblance to the American pop princess from the late '80s called Taylor Dane. Same first name, except Taylor Stevens is way better because her face is only one of her many, vast assets.

The real reason for my letter is to find out if Taylor has a website or fan-mail address? I must get in touch with her. I've never been more attracted to any other V-girl. Thanks so much to *Voluptuous* for displaying her.—S.A., Costa Mesa, California

Dear S.A.: Taylor Stevens does not have an official website, at least not yet. You can, however, find her chatting at *ifriends.net*. Taylor does live web chats on an irregular, but frequent basis, so why not log on and talk to Taylor yourself? ①

## VIA PAXTON

### Our Y2K Model Of The Year Says “Farewell” With One Final Work-Out.

As we start off this new issue of *Voluptuous*, we're feeling a bit melancholy here at Big-Tit Central. Via Paxton is in the house. Normally, that's reason to drop our socks and grab our cocks, but this month we're seeing Via for the last time. It's the end of an era, one we'd be lucky to ever see again.

Via has been with us since 1999, winning *Voluptuous*' 2000 Model of the Year, *SCORE*'s '99 Newcomer of the Year and Big-Tit-Dom's unofficial title of the greatest American Natural-Next-Door of all-time. Okay, so our editor gave her that last title, but crusty, trusty B.A. has seen his share of great ones, and Via is right there at the top of his list. When you factor in that Via has been steadfastly loyal to *Voluptuous* and *SCORE*, never once straying to the dark side of the force (believe us, other mags have asked!), and that a nicer, more down-to-earth woman has never been in *V-Mag*, we've always wondered when the next Via Paxton would arrive to carry on her legacy. Only now are we starting to realize that it may never happen. Via is and always will be one of a kind.

Still working at the same Fortune 500 delivery company she was with when she debuted on the Sept. '99 *Voluptuous* cover, Via didn't give us any catastrophic reason for retirement—i.e., she's not getting a breast reduction. "Never! I used to think about that, but now, after seeing how much guys love my body and my breasts, I would never do that. I have *Voluptuous* and its readers to thank for that." So why the sunset ride? Via simply told us that she has had a good run and it was time for her to focus on raising a family. Something about her biological clock ticking away. The only good news to come out of all of this? Via just saved a lot of money on auto insurance... Hey, Via thought it was a great joke, but knowing her as intimately as we do, we weren't laughing. Why? Because we know that once Via makes up her mind, that's all she wrote, folks. So, the time we've dreaded for years has finally come, and we have to once again break out our least favorite phrase... Via...thanks for all of the memories, the least of which are your mammaries.

Review By CURLY REDWOOD

These are real women. They have tits and asses and some flesh to grab onto. Oh, and they love sex. They love to suck and love to be fucked hard.

In *Voluptuous Xtra #9*, you'll get so many smokin' scenes featuring full-

figured lovelies that you won't be able to watch it in one viewing. Get the tissues ready, boys, this one is hot.

**JOY JUGGS**

Joy Juggs is married to a total loser.

This dope comes home early after being fired from his job. The reason? He was practicing 'stress-relieving techniques' in the executive bathroom. In case you're wondering, he wasn't doing yoga. He was jacking

off. Heck, we can't even do that at the office here.

Why he needs to spank the monkey with a huge-hootered, sexually dynamic wife like Joy is a mystery not even Scooby-Doo and those meddling kids could solve. Anyway, this pony-tailed dumbass is now unemployed.

Most women would kick him to the curb and call a divorce lawyer, but not Joy. Being the sweetheart she is, Joy actually consoles her man and tells him that she will get a job. She also tells him she will make it all better while pulling his face to her bountiful bosom. He actually asks her if she's going to make him a hot chocolate. No wonder this guy is pulling his pud in the executive bathroom.

Finally, Mr. Ponytail remembers that hot pussy beats hot chocolate any day or night. He probably also remembers that he'd better keep his juggy wife happy. She'll probably have to support his lazy ass with more than her cleavage.

He suckles on Joy's boobs and then starts in on some oral. We get a great close-up that actually shows Mr. Ponytail's scruffy wannabe beard to be a few days older than Joy's smoothly trimmed pussy.

Joy then moves to the edge of the bed, where she wraps her big titties around her man's cock. She leans in and out, giving him a titty-fucking that would buckle most men at the knees. Joy lays him down and really smothers his cock in her tit-flesh, leaning down to suck on the head as it pokes through her cleavage. You can actually hear her slurping each time she goes down.

As good a sound as she is making, Joy moves down for a full-on blow job. She continues slurping that cock and also slides down to give her man's balls a good sucking and licking.

The next scene shows Joy laying on her back and Mr. Ponytail thrusting his hard cock between her tits. After that, Joy finally gets some cock as her man slides his snake into her waiting and willing snatch as Joy begs him to fuck her hard. Joy's head is hanging off the side of the bed, and her legs are in the air and spread wide as she takes long, hard strokes that make her cans bounce all over.

The couple shifts into a spooning position with the strokes going just as deep, but not as fast. Surprisingly, the

slowest strokes come when Joy gets on her hands and knees. But, she does get her ass spanked, so all is good.

Soon enough we discover what he was holding out for, as Joy climbs atop his cock and goes for a ride. The camera focuses right on Joy's big boobs bouncing up and down as she moans with delight at every stroke.

After a good, long ride, Joy is back on her knees with his cock in her mouth. She is sucking and stroking until he shoots a major load onto her big tits. Hey, if he can't find a job, he can always become a sperm donor.

## HAYDEN

Hayden is a masseuse, but with a twist. She massages by rubbing her breasts against her client's body. The logic is that the client feels relaxed by the soft tits rubbing against them. Talk about an innovative business plan. In fact, how can we acquire franchise rights? This sounds like a gold mine.

It looks like one, too, when Hayden steps out in a sheer, red robe that barely covers her plump ass and big breasts. She's in a pink demi bra with black straps and trim and pink panties. Hayden applies baby oil on her melons and rubs the oil in while still wearing the bra to, as she says, "warm them up." Now that's service.

It's easy to see that Hayden enjoys rubbing the oil onto her cans. Her nipples stand at attention quickly, and her large areolae get a great shine to them. Hayden then straddles her client, Tom, and proceeds to rub her boobs all over his back, almost like she's painting a fence with them.

She actually asks him if he's enjoying the massage at one point, which seems a bit absurd. For one, he's paying for it. Second, he has a sexy woman rubbing her naked, oiled up tits on his back. Enjoying it? The only way it would be better would be if she had a twin or a triplet.

Hayden switches up and starts massaging with her ass. That is to say, she sits on Tom's back and starts grinding her ass on him. She also starts fingering her pussy and jams two fingers inside. Remember, they were already lubed up from the oil.

Finally, Hayden instructs Tom to roll over and she finds a very willing cock. Guess that massage did more than relax him. No doubt when he

# GINA MARIE LAMONTANA

## Our "Super-Plumper" Of The Month

All righty, boys, it's big-girl time, and this month we have a *really* big girl. Some of you know her as "Brick House," "The Amazon" or "The Greatest Super Plumper Voluptuous Has Ever Had!" What's in a name? Everything when the one on the birth certificate is...Gina Marie LaMontana.

With more hills and valleys than the state of Montana, Gina is a self-described "hot-blooded Italian wench" who is built like that proverbial brick shithouse. If you've ever seen one, you know...the metaphor fits, perfectly. Especially with Gina. Not only is she packing 160-plus on her 5'4" frame, but Gina is an avid weightlifter who can squat more than twice her weight. "Wow! That's a lotta woman!" says most everybody who jacks to Gina, and they would be correct. However, though Gina is physically imposing and could beat up most biker bad asses, she's actually very soft-spoken with a gentle nature. "Men are made for loving, not fighting!" she once told us. "Just like me!" The perfect answer from the perfect super-plumper, in body and soul.

While she is a secretary born and bred in Illinois, with more posing, Gina has opened up a bit since her debut in the Dec. 2000 *Voluptuous*. Now, she can be seen baring her boobs at Bike Week in Daytona and at Indiana's Bare Ass (and Tits) Bash, Nudes-A-Poppin'. And, yes, Gina is still getting nekkid for our jacking pleasure. "Are you kidding? I'll keep posing as long as you want me! Nothing makes me feel more like a woman—a desirable woman—than posing for *Voluptuous*. Nothing!" Words to live by. We only wish every other busty, curvy babe like Gina felt the same way, which is just one more reason to love this full-figured pagan sex goddess even more than we already do. Thanks for one more look Gina, and here's to many, many more.

## Erotic Fiction By DONNA POWELL

Call me Sarah. That's not my real name. But, I wish to remain anonymous for obvious reasons. I am a 35-year-old widow, and what I relate here may amaze you and, I hope, excite you.

My late husband left me well off enough to have the luxury to indulge my fantasies without having to be too concerned about money. He was a good man and a hard worker, but he was as naive as they come about sex. His idea of extended foreplay, for example, consisted of stroking his penis until it was erect and then inserting it and finishing

in about half a dozen fast thrusts. He kissed me on rare occasions with a closed mouth, and about twice during our 12 years together he shyly touched my breasts. We had no children.

I've tried to educate myself sexually by reading various men's magazines like *Voluptuous* and *SCORE*. But my best efforts to use such terms as "cunt" or "tits" will never come naturally, I'm afraid. It is only when I am in the throes of an impossible to resist passion that those explicit terms spring spontaneously to mind. And since this story concerns my lusty affair with an 18-

year-old boy named Jeremy, I will resort to such words and phrases often.

Jeremy did my lawn once a week, and I found him adorable. He wasn't particularly good looking. But he had that loose-limbed casualness that, to me, advertised all kinds of amorous possibilities. Why a young boy who had just reached manhood and not a man closer to my own age? First, because I'm too inexperienced and shy to even consider sex with a mature man. And secondly, the thought of making love to an 18-year-old boy has always seemed to excite and arouse me.

My fantasy all started on this one extremely hot day in August when I invited Jeremy in out of the heat to have a cold Coke. I told him I'd have one with him.

It was fairly early in the morning, and I was still in a robe, which I had purposely left open at the collar to expose the very top of my abundant breasts. I can't begin to tell you how I got up the nerve for that. It was difficult, but I really wanted to tempt Jeremy, and my breasts are quite big and beautiful—perfectly shaped with saucer-sized areolae and big, thick nipples. They would be, I thought, the perfect temptresses to get Jeremy interested, and he noticed right away. Before we even sat down at my kitchen table to drink our Cokes, I could tell that he had a marvelous erection. I had been fantasizing about a young man playing with my breasts and sucking the nipples for as long as I can remember. My late husband only brushed them a couple of times and never went further. So, all I had was my fantasies. And now my loose collar had given this boy an outstanding erection, and I felt a hot flush thinking that maybe, just maybe, my fantasies might come true.

Jeremy's next words were a heart-pounding beginning.

"Man, oh man, ma'am. I hope you won't get mad at me for sayin' this, but you've got some really awesome boobs. Really awesome."

"Why, thank you, Jeremy. Why should I get mad at such a nice compliment?" I nonchalantly loosened the collar a little further to give him a better view of my overflowing cleavage.

He took it, staring at my exposed boobs with wide-eyes and his mouth completely ajar. "I'll tell you what, ma'am. I'll do your lawn for a month free if you'll let me see all of 'em."

I felt my face grow hot with excitement and anticipation. "Call me Sarah, Jeremy," I said with a smile. Then, I shrugged the robe off my shoulders and it fell down around my waist. "And you don't have to do my lawn for nothing to look at them. You can even play with them if you life."

I bent forward and placed them on the table for his convenience. They appeared so enormous propped up on the table that I thought he might get scared by their size.

"Jeez, ma'am...I mean, Sarah," he

began with a look of worshipful amazement. "They're like big, ole watermelons, your boobs. They're... awesome...really...awesome."

"Go ahead, Jeremy. Do anything you want with them. Anything at all."

He leaned across the table and laid his strong, yet delicate, hands on them. I shut my eyes and tried not to gasp aloud. He palmed them firmly for awhile and then began to caress them all over, finally stroking my nipples swiftly with a feather-light touch. I thought I might faint from the pleasure.

My vagina...my...*cunt*...was actually throbbing, and my breasts... *tits*... felt like they were swelling even larger and might burst with excitement.

"You can suck my nipples, too, if you'd like," I told him, gaining confidence in my passion and putting my

hands in his soft, beautiful hair.

"I'd like...I'd like that a lot," he muttered. Then my fantasy continued to come true as his warm mouth closed on a nipple, and he gently turned the other like a radio dial.

His mouth not only felt marvelous, it caused me to scream an assortment of obscenities I wasn't even aware I knew. "My cunt's throbbing now like you have your big prick in it, Jeremy! I need you to fuck me, sweetheart! I want you to suck you off and have you squirt your cum in my mouth!"

With that I abruptly pushed my chair back and stood up, and my robe fell to the floor. He sat there, looking me over and grinning crookedly. Then he pushed his chair back also and stood up. "God, damn, Sarah. That bushy beaver 'n those nice, big thighs

are so cool." He shoved down his pants, revealing an incredibly monstrous, vein-filled prick.

I turned and got up on the table, leaning back on my elbows and spreading my "cool" thighs. Jeremy wasted no time. He stepped out of his pants and, prick in hand, guided it to my yearning cunt and slowly began to shove it in. I think he had the big, knobby head in and part of that blue-veined shaft when I more or less lost it. To finally have his prick in me was more than my mind could stand, and for the prick to be so enormous—twice as big as my late husband's—and to fill me up completely with just its head inside me, I totally lost control. I threw my thighs up around his back and began moaning my pent-up pleasure like some nymphomaniac. I frantically threw my hungry cunt up to him, and his dick was buried to the precious hilt.

"Jeez, Sarah," I heard him say before I suddenly began the longest, strongest and most thrilling orgasm of my life. My cunt cavortions caused the kid to cum, too, and his hot bath peaked the pleasure in my climaxing cunt.

When it was finally over, Jeremy smiled down at me and pantingly said, "I've wanted to fuck you for a long time, ma'am...I mean, Sarah. We both got off real fast, huh?"

I nodded, eyes still fluttering, too happy to speak. He kept it deeply buried, and I felt those soft after-throbs of my climax. Finally, I said, "I've wanted to fuck you for a long time, too, sweetheart. I've had many day dreams about it. I'd love to suck that prick now, if you're not too tired."

He immediately pulled out and straightened. "Hell, no! Go ahead and suck it if you really wanta."

"I do, Jeremy. I really, *really* do. I'll tell you a secret, honey. I've never sucked one before. You'll be the first of my life. Are you ready?"

He appeared a bit hesitant. But he sat on the edge of the table and leaned back on his elbows as I had. Then he quietly said, "Most girls only gag when they try to swallow it. It's really big—10 inches hard—and maybe you should just take about half of it in your mouth."

I pulled a chair in front of him and sat down. His prick was shiny wet with my juice, and its length looked both marvelous and formidable. Had I actually taken all of that in my cunt? His balls were so big and puffy they looked

bloated, and those veins in his prick were pencil-thick with blood. I reached out to pet it, and it actually quivered in my hand. That first fast orgasm had far from satisfied me, and I was grateful it hadn't satisfied him. I looked at it for another minute or so, worshipfully, petting it lovingly, and then I swooped forward and licked its huge head.

"Jesus, Sarah...suck it!" he pleaded.

I was starved for his great prick, and his pleading words were all I needed to instantly swallow every precious inch of it in one swift swoop. Let me tell you, it was delicious. Far from gagging, I ran my compressed lips down his vein-filled shaft like a sword-swallower.

"Awesome, Sarah, that's totally awesome. You're totally awesome!"

I heard his praise and felt his hands on my bobbing head. I reached for his bloated balls and tickled them. Then,

using that same hand, I reached below his balls and stuck my forefinger up his hot asshole—a lesson I'd learned from those men's magazines I had been reading. His prick actually got bigger and harder for a few seconds, and then he let out a tortured groan and began squirting his thick cum in my mouth and down my throat. I sucked it greedily as I felt his tight, little asshole sort of snapping repeatedly on my finger. I groaned then, too, as I felt the last drops of his juice ooze into my mouth.

"Did you enjoy that, Jeremy? My very first suck-off. Believe me, it won't be my last. God, that was good."

He grinned. "Yeah, I did. Fabulous. I've never had a girl take it without gagging. You must truly love it."

"I do. I truly do. I love it all, Jeremy. That cum was delicious," I said, smack-

**AVA**

### **A Newcomer With A Naughty Side.**

You guys know how some 1st-timers have a tendency to be all bashful, and some gals won't even take off their undies? Not Ava. Whether it's spreading her succulent pussy lips or engulfing a thick cock down her throat, this girl has absolutely zero inhibitions when it comes to life and love. Plus, she has good-sized tits, so all we've gotta say is...Welcome to the wonderful world of *Voluptuous*, Ava! Damn glad to have ya!

A Delaware waitress slash scholarship student, Ava may only be 21 years old, but she's been around the block—more than once. "I love to be dressed up like a whore and spanked!" says this petite lover of older, salt-n-pepper haired men, whose kinkiest experience was with a 45-year-old, married guy. "He tied me up in my dorm room and fucked me senseless in his shirt and tie. Power really turns me on! So does a big, hard cock!" Our kinda girl.

So, what's this about Ava taking a stiffie for the world's viewing pleasure? Hey, the girl is a horny, little slut (and proud of it) so there was no way she was coming to *V-Mag* Central and not getting deep-dicked to the hilt. And the place to see this cute face all puffy-cheeked with man-meat is...[scoreland.com](http://scoreland.com). We've jacked Ava's debut hardcore video scene onto the web so everybody at home can jack like crazy, and early reports are that her XXX hardcore scene has gotten more hits in one day than most get in a week. Good for us, bad for keyboards. Remember, boys, cum and computer chips don't mix, so keep some paper towels handy and work on that target practice. Watch for the *Voluptuous Xtra* scene of this college cutie getting fucked in a future issue.

## LIZ BAKER

### Before Our Time, But Not Forgotten.

It was a humid night when lensman Bob Ellison walked into a Los Angeles jazz club back in the early '80s. It was uncharacteristically warm for L.A. in the winter, but the heat outside was nothing compared to the smoking hot lady he found at the bar. She was wearing a low-cut dress with cleavage that went on forever, and the second thing that stunned Bob was that she was alone. He introduced himself, and after two martinis he made his pitch. She paused, then said, "Let's do it." They did, and it wasn't until after Bob took these photos that he realized he still didn't know her name. "Liz Baker," she told him as she got dressed. Ten seconds later, Liz Baker walked out the door, never to be seen by Bob again, except in these photos that will live on for eternity.

## CHRISTIANE

**From The Fertile Land of Germany, World Class Boobs That'll Boil Your Man-Sap!**

Every time Christiane appears in *Voluptuous* (and this is her third pictorial), we look at her big, all-natural G-cup tits, and we can't help ourselves. "The ultimate V-girl!" "A great one in the making!" "The best German since..." The truth is, we may be tit-obsessed boob-maniacs here, but you guys have got the Chrissy-bug even more than we do! After her Sept. '04 encore pictorial, we got thousands of letters from guys wanting to emigrate to Germany to comb Dresden just to meet Christiane. Now that's some big-time boob power. What is it about this cute and busty, but explicitly challenged babe that turns intelligent, discriminating men into babbling fools? Take a look. Christiane's pictures provide all of the answers.

With a curvy, *Voluptuous* body reminiscent of Renaissance classics, Christiane has evoked comparisons to some of the most popular busty babes of all time. Some long-time *V-men* have compared Christiane to Hungarian big-bust legend Georgina, whereas others have compared this busty German to Rhonda Baxter. Now, that's mighty impressive company, but with a body like Christiane's, it's easy to see why she is fast becoming one of the most popular *Voluptuous* ladies in the world.

So, what's it like to sleep with Christiane? Let's ask her. "I like to start off by licking every inch of a man—from his toes to his head. Slow and sensual, but I don't use my mouth down there. I use my breasts. I'll tease his cock with my nipples and stroke it softly with the insides of my breasts. They are the most erotically sensual part of my entire body. Nothing gets me hotter than to feel the heat of a man against my breasts. When I sense that he is ready to climax, I smother *it* with my breasts until he cums all over me. I rub that hot goo all over my breasts. When he is hard again, then it is my turn. I lay on my back and let him pleasure me any way he wants. When it's good, it lasts for hours." Okay, we're ready to hit the bathroom. See ya.

ing my lips and then grinning.

He looked down at me strangely and then said, "I could come by, you know, when I'm not doing your lawn, that is, if you want me to. Maybe once or twice a week. Maybe more."

Thrilled, I told him I would look forward to it. Then, characteristic of a young boy with absolutely no social graces whatsoever, he got off the table, pulled up his pants and simply walked out. Two minutes later I heard the roar of the lawn mower.

I was happier than I'd ever been, and I couldn't wait to cum again with Jeremy. We hadn't set a particular day, so I spent the next days in an agony of longing. I masturbated frequently in the meantime, fantasizing about that marvelous prick, tasting again his mouth-watering juice. It was five days before he knocked on the front door and grinningly told me he could go for a Coke.

"I've missed you terribly," I blurted

as he walked in.

I again got us Cokes, and we sat at my kitchen table, again. It was later in the day, and I was dressed to go out shopping. I was wearing a fairly short skirt, a tank top and heels. He looked at me with new eyes as we sipped our Cokes, talking listlessly, eyeing each other, when he flashed a grin and said, "You're really built for a...you know... lady your age. You've really kept in shape. Buff. How old are you, Sarah?"

"Thirty," I lied. His compliment had gone straight to my vagina, and I felt the familiar warmth there that persuaded me to think of it as a cunt.

"You look awesome for 30. I like a woman with some meat on her bones."

I stood up and lifted my skirt. "You don't think my thighs are too big?" I felt a rush of arousal to be showing myself off like that.

"Hell, no, Sarah. You have great legs. Now, take off that top so I can see your tits. They're really somethin' special."

I pulled it over my head and quickly undid my bra and removed it. "You like them, don't you? I've been thinking

about how you played with them and sucked my nipples. And I've been thinking about your big prick and how I sucked it and swallowed all your cum. Take it out for me, and let me see it."

"You take it out for me," he grinned.

I unzipped his fly and took out that marvelously monstrous, blue-veined throbbler. Squeezing it lovingly, I felt it throb in my hand. "Lord, Jeremy, it's just so big. It's colossal."

"I guess so," he smiled proudly. "I've never had a girl suck it like you did without gagging."

He began to caress my tits and lowered himself to my knees. I held them out for him, and he got the message and started sucking a nipple. After a couple of minutes of that swelling bliss, I bent forward and put his prick in my mouth. I sucked from the knobby head to his bloated balls for a minute and then stopped and looked up at him.

"I want you to fuck me, Jeremy. *Now!* I want your colossal cock deep in my cunt. Stick it in me as far as it'll go."

I surprised myself, not only with my explicit words, but with the commanding tone I'd used. He looked at me curiously again and stood up. "You sit here, Sarah. I wanta eat that delicious cunt of yours a little before we fuck."

I had heard men liked to lick it. I had even seen pictures of the act in men's magazines. But, I confess, I had never before had a man's mouth down there in my life. I hadn't even had fantasies about it. So, when Jeremy got down on his knees, put his hands on my wide-open thighs, stuck out his tongue and began licking my cunt with long, loving laps, well, I grabbed his rooting head and went out of my mind with the most ecstatic pleasure I have ever felt. His tongue felt long and incredibly slick as it glided over my cunt. My cunt, I suppose any woman's cunt, is as sensitive in places as an open wound. But instead of pain, his stabbing tongue was imparting the most exquisite pleasure possible. I even felt it in my tits. The throbbing was centered in my cunt, but it traveled all through my pelvis and even behind in my asshole—waves of the purest pleasure conceivable. I had often looked at myself when masturbating and noticed how pink and unprotected my cunt is and how different it is from a prick, but I never imagined anything could make it feel this good or give me this much pleasure.

## PETRA

### **If You Love Blue-Veined Hooters, You Gotta Check Out This Gal!**

From the newly fertile big-tit breeding grounds of Bucharest, here comes the latest of the rube-nesque Romanians. Petra is her name, she works in the restaurant business, and man, if you guys think she looks like a curvy piece of cooze here, just wait until you get a look at her tits. Petra's areolae are so pebbly, her nips are thick and you wanna talk about rivers of nourishment—this girl has some must-see veins!

Discovered on our latest trip to Bucharest, this is the fifth Romanian sex goddess to show off in *Voluptuous* since Crisa got things started in the Oct. '04 issue. Best of all, for those of you laying out your latest back issues, each of these babes is smokin' hot, and Petra fits right in. With a bit more baby phat than some of her *Voluptuous* countrywomen, Petra is another regular-type of gal who we in America would call a girl-next-door. The only thing is, when you guys pick up some chick at Starbucks and get her home, how many of them are sporting a body like Petra. And, if you're a true tit aficionado, check out Petra's left boob and the pronounced vein running through the areolae. Very rare stuff indeed. And extremely desirable!

At 29, it's fair to say that Petra has been around the block. "I'm definitely not a virgin," confesses Petra, who digs the underground fetish scene in Bucharest. "I'm more submissive, so I like some light bondage and role playing where I can be dominated. My favorite fantasy is with a young man. I play a teacher, he is my student and I discipline him with a stick. Then, he pulls out his stick, and I'm the one getting a lesson. He fucks me right on my desk then bends me over his desk and fucks my ass! It's a hot fantasy. I get horny just thinking about it." Trust us, Petra, you're not the only one!

## BLUE-VEINED THROBBER

Continued from page 50

Jeremy copied me then by sticking a finger up my rear-end, and that simple tactic set off a series of cunt-throbbing orgasms that made me think they might never end. I was moaning and gasping all through them, and when they finally slowed to a few soft throbs I let out a tremendous sigh.

"Man, Sarah. You really got off," Jeremy grinned up at me.

I nodded, too weak right then to even speak. He stood up, and his magnificent prick was right in front of me, its swollen head and vein-filled shaft brought me back to the moment.

"My God, Jeremy. I had about half a dozen orgasms...at least!"

He nodded. "Yeah, and it all started when I shoved my finger up your booty. D'ya think maybe there's room up there for this?" He took hold of his prick, and he waved it around.

"You mean...?" I paused, and he grinned and nodded.

I don't purposely mean to sound dumb or naive or completely inexperienced, but though I had of course heard

about anal sex and read about it, I had never experienced it. I had read that it can cause a lot of pain to some women, and that some women even have outstanding orgasms. Looking at Jeremy's prick, I thought it would be more likely to cause pain, but what the hell. I had just had more orgasms from his tongue than ever before in my life. So I put on a brave smile and lied. "I'd love you to try and find out, Jeremy. I know you'll push it up there really gently and slow because it's so marvelously enormous."

"Marvelously enormous, huh?" he grinned. "Tell you what, Sarah. Get up off that chair, turn around and lean on the seat, and we'll give it a try. If it hurts too much we'll stop. I just wanta try fuckin' you up that sexy ass one time."

Turning and getting down as he'd suggested, I gamely tried to make light of it. "Oh, just one time? What if we both like it?"

He didn't answer. He got down behind me and began running his hands over my ass. It felt so dirty, to be on all fours and vulnerable. I was totally at his mercy. He could do anything to me that he wanted.

"The only thing is, I can't see your tits this way. But I guess I can reach

around and play with them."

Which he did...marvelously. Then, I felt his preposterous prick pressing the portals of my puckered asshole, and I closed my eyes and gritted my teeth.

"Damn, your ass looks so sexy this way," he muttered.

Then he began pushing and pushing and pushing. When I figured it to be about half way in, I opened my eyes and relaxed my jaw. It was vaguely painful, yes. But there was sort of a blissful feeling of fullness that almost cancelled the slight discomfort. I wiggled back against him, eager for more, and he gruntingly gave it to me in one urgent lunge. I gasped and cried, "My God, kid. Don't you dare take it out! Oh, God. Please...fuck me. Fuck me!"

"You love it, huh?" he said anxiously, leaving it in deep.

"Yes, oh yes! Please, fuck me now, Jeremy. I need you to fuck me...hard!"

He snickered, I suppose at my wild excitement. Then he began to pull it out and shove it in with long, swift, incomparably thrilling thrusts. I instantly knew I was one of those fortunate women who got outstanding orgasms from backside sex, and I braced myself

# GEMMA

## The Army Didn't Want Her, But We Do!

For those of you who don't know this beauty, her name is Gemma, and she's a young Brit we last saw in the Jan. '04 *V-Mag*. Gemma was planning to join the British Army last Spring, but a funny thing happened to her when enlisting. The Army said "no," which was exactly the opposite of what we said when Gemma asked if we wanted her to pose again.

Gemma's Army dream ended during the physical. Something to do with a heart murmur, which is just an irregular heartbeat and nothing too debilitating compared to the hard attacks the soldier boys probably had when she took off her top to be examined. Still, Gemma was crushed. The girl really wanted to serve, not only her country, but all of mankind and protect it from terrorism. Instead, she's back at school. Gemma, if it's any consolation, you're providing a much greater civil service being in *V-Mag*. We get so many letters from American and British soldiers in Iraq missing home, and the one thing that gives them joy hunkered down in a fox-hole are pictures of busty babes just like you.

Still only 21 years young, this is Gemma's fourth appearance in *Voluptuous*, and she has developed quite a following. Her beautiful body aside, guys have been loving her fresh-faced innocence since they first saw Gemma in the March '02 issue. They especially love her pendant and the fact that, even though Gemma is posing, she holds a promise to her mother close to her bosom. ("My mum gave that to me on my 18th birthday, and I promised her I would never take it off. I always keep my promises.") Will she pose again? "I'm going to go see the doctor and try the Army again. I hope they'll take me this time." If they don't, Gemma, you know we will.

## VIDEO REVIEW

*Continued from page 22*

saw the rockets that had just been all over his back, he became a little more rigid. Well, in one area, anyway.

Hayden proceeds to give her client some impressive oral and follows that up by bending over the table so he can bury his stiff shaft deep inside of her and relax both of them. Now, it's Tom's turn to go to work. He goes balls deep into Hayden's meaty and bald pussy, slamming every stroke while she tells him, "Pound me, baby." After Tom does just that for a while, Hayden gets on her back and spreads wide, taking every inch of man meat he gives her.

Hayden then takes over, climbing on top for a ferocious ride. She brings all of her weight up and down on his hard shaft. When she dismounts, Tom is totally ready to blow. Hayden gets on her knees, and he sprays his load all over her. The tits that had been slippery with baby oil a few minutes before are now sticky with spunk.

**Mandi Hart**

*Voluptuous* 2004 Plumper of the Year hopeful Mandi Hart had a big year in 2004, and it's getting...bigger...with her XXX video debut on *Voluptuous Xtra* #9.

Roxie

*Voluptuous Xtra #9* is loaded with fresh boobs taking the man-meat including 2004 Newcomer of the Year finalist Roxie fucking and sucking for the first time on video.

#### BOZENA

Bozena's man is looking at an adult magazine, which is not usually a smart move when you have a sexy woman sitting next to you. But our man plays it just right. He looks at the pictures, checks out Bozena's prodigious melons and then announces, "I like big boobs," before diving face first into Bozena's incredible rack. Well done, my man.

Of course, seconds later he's playing with big boobs and sucking on big nipples. Bozena has quite a pair, and she's not shy about putting them to good use.

In almost no time, our man has his cock between Bozena's cans and is pumping it to full hardness. Bozena helps by taking it into her mouth and giving it a good suck. He continues to alternately fuck her tits and slap his cock on her nipples.

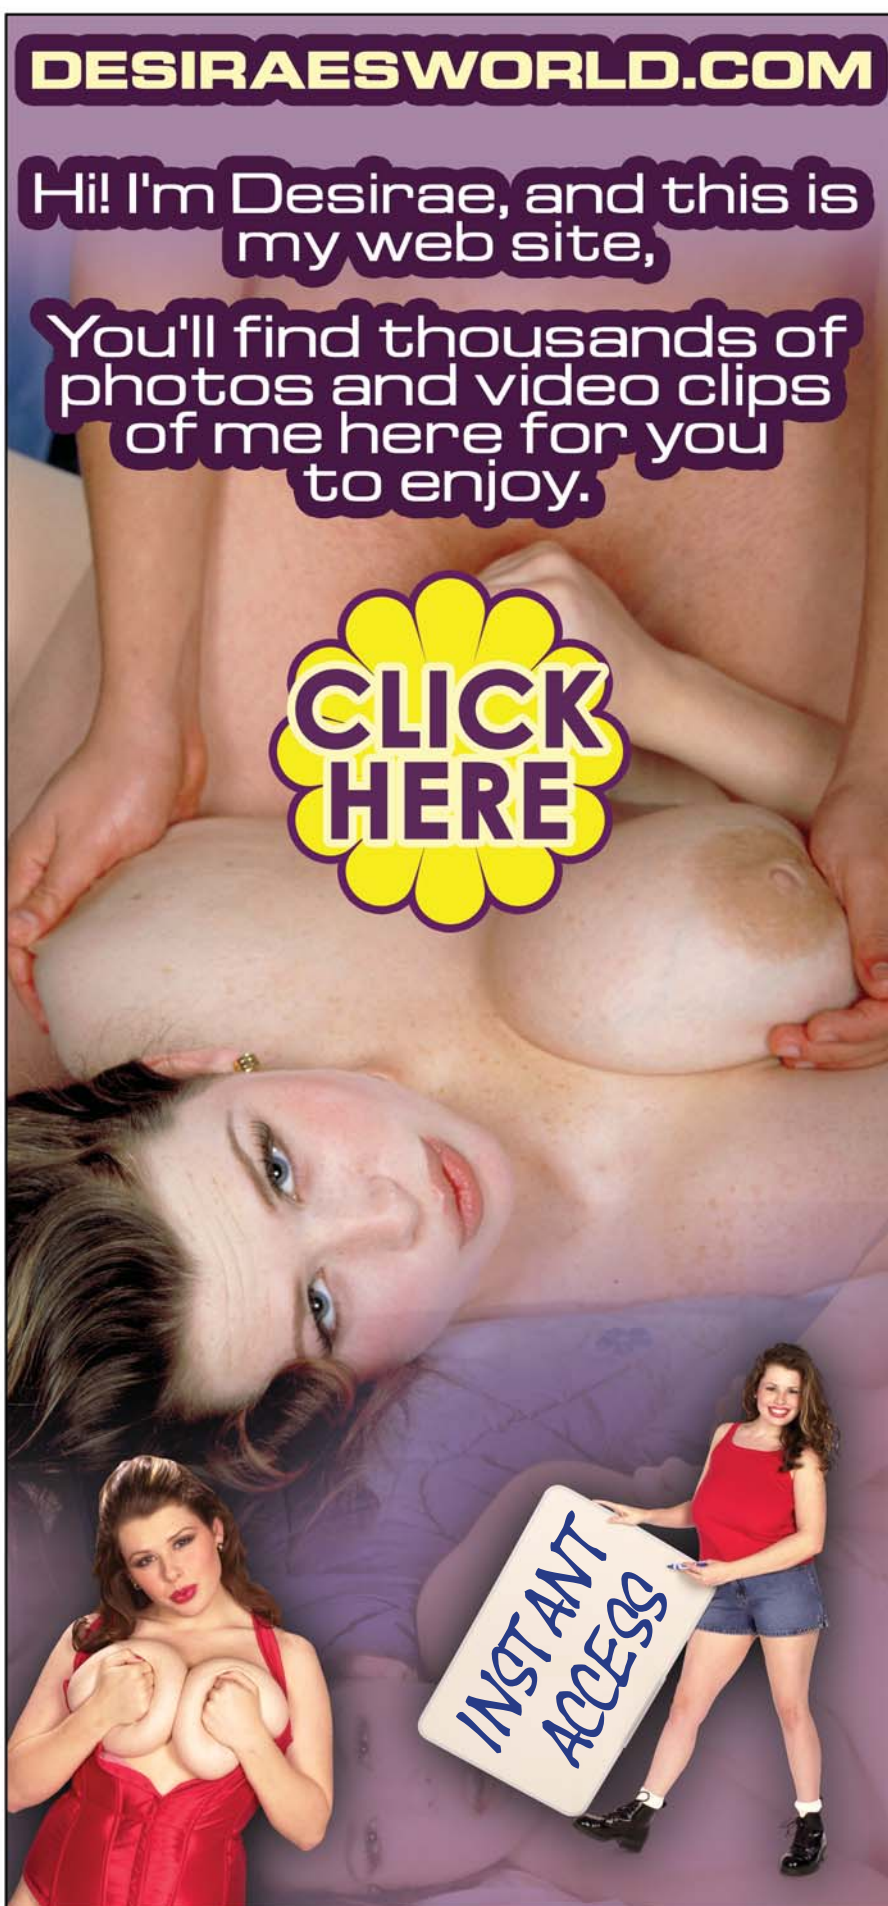

The two then race through several positions, going from some hard-pumping doggie style (with Bozena sucking her own nipples) to an energetic blow job to more tit-fucking. It's

a virtual cavalcade of sex.

Finally, the two settle for spooning as our man buries his bone deep in Bozena's shaved pussy. She squeals with delight as he gets deep, and she fingers her clit and massages his balls. Bozena then gets on top and rides her stud before turning around and going reverse cowgirl on his thick shaft. Her tits flop around like a couple of beach balls as she slides down every inch of his thick, hard cock over and over.

Bozena then gets the pile driver treatment. She gets on her back and puts her legs over her man's shoulders, and he drives his cock deep inside her. He pounds away for a while, changing speeds and the depth of his powerful strokes.

The two finish up right where they started as Bozena gets her tits fucked on a white rug in front of the sofa. To his credit, he dumps a load that is nearly Peter North-sized on Bozena's tits before using his cock to spread it around as she tongues his shaft. Definitely a big finish.

## ROXIE

Roxie is a smoker. She's nervous and fidgety and doesn't know what to do with her hands without a cigarette to hold onto.

Her friend is concerned and wants to help. He shows her what else she can do with her hands while standing behind her and giving her a massage to ease some tension. Of course, when he gives her something to hold, it's his crotch. The massage quickly turns into an excuse for him to massage her enormous cans and get her top off.

Though Roxie—who looks something like a super-sized Ellen Barkin—protests for a moment, her man peels each breast of its bra cup. Part of her therapy involves pinching her nipples and shaking her melons. Pretty soon, Roxie is shaking them like two very large Polaroid pictures.

Our man keeps telling Roxie to trust him and that his technique to quit smoking will work, but his technique seems to be all about how to get laid. Pretty soon, he's got Roxie on her knees deep-throating his cock to attention. Hell, we've told plenty of women that giving head is the way to quit smoking, but none of them ever actually believed it.

Never married, Milada has only had four dates in 19 years. Which means this lady has a lot of pent-up sexual energy. Posing was first on her "things-to-do-before-I-get-too-old" list. Getting laid and laid often is second. Taking a month-long vacation all by herself is number three, which Milada is now doing courtesy of *V-Mag*. What about number two? One look at Milada's smile tells you, mission accomplished.

astic blow job, Roxie proclaims that she has had her last cigarette. Maybe there's some merit to this, after all. Any women who want us to help with them quitting smoking, please send mail and photos.

When Roxie starts riding reverse cowgirl, she quickly announces, "This is much better than a cigarette." Yes, hard cock tends to be better than a pencil-thin cancer-stick. Especially when it is used properly. We mean the cock and not the cigarette.

Roxie releases the cock, but only for seconds. She gets back on, and we see her plump ass riding his hard cock. He responds by spanking her ass repeatedly, turning it red.

Roxie gets on all fours on the couch and then gets into a spooning position. She gets fucked so well on the couch that she screams a promise to never have another cigarette.

"When we fuck, my cravings go away." It seems like she has traded in smoking for some new cravings.

Roxie's enormous hooters hang down as she bends over the couch again. After some deep pounding, they get into a 69 position with Roxie sucking and tit-fucking with reckless abandon. When he spews onto her tits, Roxie seems ready for another nicotine injection. Then again, a great lay beats The Patch every time.

## MANDI HART

Mandi is the chubby, younger sister who is after her sister's boyfriend. She tricks him into coming over, and when he tells her he's there for her sister, Mandi tells him how much bigger her tits are and how much better she fucks. Nothing like a sibling rivalry to get your mojo going, unless, of course, you can get a sibling threesome.

Mandi's sister's boyfriend apparently doesn't need much convincing on why he should switch and date Mandi. Once she shows him her humongous hooters and extra-plump ass, he seems sold. Mandi models her plus-size figure for him, which sells him on the concept even more. Tonguing her clit did nothing to change his mind, either.

Again, we hear what Mandi's sister doesn't do as she strokes his cock with

**Voluptuous** newcomer Hayden has some whopper tits and they get a major workout in her hardcore video debut, *Voluptuous Xtra #9*, available on page 98 of this issue.

her hand and slaps it against her rack. She gives him a slow, deliberate blow job, paying attention to the head. Apparently, her sister taught her well.

Next, they move into another area. Mandi's sister doesn't cover when the soon-to-be ex-boyfriend slides his long tool between Mandi's lush tits. Mandi struggles at times to wrap her pillows around his thick shaft, but that doesn't dissuade her from trying.

The boyfriend slides in behind Mandi and spoons her. He bucks his hips wildly, injecting every inch of cock into Mandi's wet slit. She seems to like it even better when she moves onto her back and he starts blasting away with deeper strokes. That gets followed with Mandi on all fours and her new boyfriend banging the hell out of her. Mandi asks him why he would bother with her sister when he could have her.

It's a legitimate question when you see Mandi's plush ass on top of this guy's cock, giving him a good ride as her saucy pussy inhales his thick cock. When she switches to reverse cow-girl, Mandi has a very contented look as she rides him hard, her big tits flopping around.

Finally, he takes control as Mandi leans back and lets him fuck her from below. For the second straight scene, a generous cum shot occurs with Mandi getting drenched by man juice. Mandi and her sister may never speak again, but it appears to have been worth it.

## ASPEN

Aspen and her roommate have issues. It seems he doesn't like seeing her lingerie all over the floor of their apartment, and she is pissed off that he won't let her suck his dick, which apparently is the only reason she let him move in.

Since it is Aspen's apartment, she sets some new house rules. Everyone will walk around naked, and her roommate is to touch and massage her nightly. She also gets to suck his cock every night. The way the Luckiest Roommate on the Planet proceeds to fuck Aspen's mouth, this sounds like a better living situation than a rent-controlled apartment in Manhattan.

Aspen is all about oral. Her mouth and throat take every inch of her roommate's thick cock, and it looks like she could handle more. That's even more true when he starts fucking her, as he slams all of his inches deep into her pussy with Aspen's legs spread wide.

Some impressive slam-fucking follows after Aspen gets on all fours. While he hammers her hard, all you hear are Aspen's moans and the sound of her stud's balls slapping against her. She gives her guy a break by getting on top and riding him for a while so he can take a breather after doing so much work.

We also get anal with Aspen. It was a pleasant surprise to see Aspen get fucked in the ass. She takes it on all fours while reaching back to finger her clit as she gets her ass reamed almost as hard as her pussy was being slammed moments before.

The Luckiest Roommate on the Planet then fucks Aspen's mouth again before shooting his spunk all over her chest. I wonder what his half of the rent is.

With almost half of the *Voluptuous* 2004 Newcomer of the Year contest represented on *Voluptuous Xtra* #9, the incredible talent alone makes this video a must-see. That is, until you see all of the sex. Then *Voluptuous Xtra* #9 becomes a collector's item!

## ROMINA

### Paraguay's First V-Girl Is A Great One!

V-men, you are looking at greatness. The fresh set of boobs you're staring at right now come from Paraguay, and they belong to Romina, a 21-year-old pre-med student who is already a contender for Newcomer of the Year. Think we're overstating things a bit? Flip through the rest of Romina's debut pictorial, and see for yourself. Once you do, you'll realize we're probably understating Romina's potential.

How perfect is Romina? You saw on the previous spread that she has the round, bouncy bottom that would make a great "Ass Shot of the Month." Now, let's talk titties. If a picture is worth a thousand words, that one in the upper left is worth a gazillion. Where most all-natural titties have a tendency to pancake when the girl is flat on her back, Romina's are so full and round, they're a tit-fucking dream come true. Released from their harness, Romina's tits retain their fullness and cause one to fantasize—how awesome would it be to have those incredibly heavy hangers dangling above you and smothering your eager face? Now, check out the areolae—those perfectly round and symmetrical saucers of pebbly pleasure—and that spigot of love smack dab in the middle. What? You're too busy fixating on those erotically boisterous rivers of nourishment running through her mammary marvels? Trust us, you're not the only one.

She was discovered by a professional sports photographer and V-man from Finland who was in Paraguay to cover a soccer match. He simply approached Romina on the street, asked her to pose and got lucky. She has promised us an encore pictorial, so long as her pictures don't show up on the newsstands in Paraguay. Let's see...a country of buyers versus a great model? Sorry, Paraguayians, we all have to make sacrifices for the greater good, so no copies of *V-Mag* for Paraguay this month!

Continued from page 60

for the orgasm—the stunning climax—that was building. He began to pinch and pull my nipples as he coasted in and out, and I heard a wet, slick sound, like when you walk through mud. But, above all I felt a full, tugging, wonderful sensation all through my asshole and cunt, and my tits felt like they'd explode with pleasure. I didn't lose it this time. I was keenly aware of every poignant feeling his colossal prick was causing, and each sensation seemed to surpass the one before.

Jeremy grunted repeatedly when he came. I felt it squirt like an enema way up in my prick-filled asshole, and that instantly brought on my own heavenly orgasm. Let me tell you, the throbbings were heavenly. Only one, not multiples as when he'd licked my pussy. But that one was truly monumental. My asshole and cunt and tits felt as if they'd joined together to bring me a thrilling climax that simply defies any description. We moaned and grunted together like two pigs in a pen, and when it was finally over Jeremy laughed and said, "That was totally, totally awesome, Sarah. Your asshole was tight and slick, and it clamped on my cock when you came."

I turned my head and smiled back at him. "And your big prick hardly hurt at all. My God, Jeremy, it actually felt better than any other way. When I came it felt wonderful. I even felt it in my tits."

He gave it a few final jabs and said, "You're an okay lady, Sarah. You've got great tits, a great cunt, a great ass...but most of all, you say it like it is."

I smiled and told him, "Only when I'm aroused, Jeremy. When I'm not turned on, you'd call me a square. And you'd be right. But I'm horny right now, so let's rest a while then suck each other off. Sound good to you?"

"Sounds great," he laughed.

And that's exactly what we did. This day and many others.

Now that Jeremy is in college, he still comes around the house every chance he can, though not to mow my lawn. And with every passing day of life and experience, he gets even better sexually and socially. I still find myself laughing, though, especially when Jeremy tells me how I made a man out of him. I still haven't told him that he was the boy who made a woman out of me.

Only 20 years old...*still*...and now entering her sophomore year of posing, it's gonna be hard for Iva to top 2004. Every one of her holes was plugged...often...in magazines and video, and when we think of what she has planned for 2005, it's enough to make us shudder...in excitement.

A petite sexual fireplug, even if Iva didn't have great tits and a body built for hardcore, we'd still want to bang her senseless. Whereas most girls her age are worrying about homecoming dances, Iva is trying to come up with new ways to get fucked, which begs a question or two: "What is it that enables Iva to take so much man-meat in her tight asshole, while engulfing 12 inches of dick down her throat?" "And still talk so sexy and not be bow-legged?" Whaddya say, Iva? "I don't know," says a surprisingly bashful (in person) Iva from her apartment in Prague. "I'm just talented." That's the understatement of the year.

She's a finalist for *Voluptuous* 2004 Newcomer of the Year, and if all of our voting public has been jacking to *Busty Euro Maids* and *Hard SCORE*, and they pick a winner based on "effort," Iva may be a landslide winner just like Nicole Peters was in 2003. Still, it doesn't matter to Iva if she wins or not because she has a consolation prize if she doesn't take the big one: "I probably had more orgasms in 2004 than any of the other girls." No argument here, Iva. And that was probably just on *Busty Euro Maids*! Will this mating Czech win the crown? Will Iva take on a soccer team in her next video? Will she find yet another hole to get plugged? The answers to these questions and many more are coming in future issues of *Voluptuous*. See you there.

## CASSITTY & AFRICA

### The Dynamic Duo Takes On A Footer!

It's that time of the month, V-men. The cocks are hard, the mouths open and the cum is gonna fly. It's a beautiful thing, too, because men love porn only marginally less than they crave oxygen. And this month we have two nubian goddesses with great lungs and over-active libidos. Even though we haven't seen her in years, in the dark skin with her tongue licking that 12-inch suck-stick...Africa. And, in the black hair with her hand on the base and her tongue licking away is...Cassitty. Together, they're a dynamic duo of mega-tit proportions.

From the best-selling hardcore video *Black & Stacked Xtra #3*, this scene is actually a contest of sorts. You see, Cassitty told Africa she can suck the best cock in the world, to which Africa said... "Prove it!" When Cassitty did, Africa, being a chick and incapable of reading maps, speaking without using her hands or letting another woman show her up, set out to prove that not only could she suck dick just as well (or better) than Cassitty, but when it came down to the best pussy, it was no contest. Actually, it was one helluva contest, and when we asked our porn stud who was the best, he didn't even have the energy to speak, he was that spent.

The truth is, asking a porn stud which girl was the best in a three-some is kinda like asking a guy to tell you which of his two daughters he loves the best. You get the diplomatic answer, which is basically no answer. So, to the videotape we went, and you know what? Maybe our guy wasn't being gracious after all. How can anyone be expected to choose between having Cassitty's huge udders flopping in his face while she grinds that gorgeous bottom half onto his man-tool or Africa's pendulous fun-bags and her luscious love-hole? Plus, both of these girls can suck and slurp dick incredibly well, though we have to be completely honest here—as much as we'd never turn away a blow job from Cassitty and Africa, they (and all women) pale in comparison to Vanessa Blue when it comes to the art of cocksucking. Sure, Vanessa has some unnatural ingredients in her tits, but when you put some all-natural man-meat down her throat, it's a sight to behold. But, those of you who have *Black & Stacked Xtra #3* already know this. If you're one of the few who doesn't own this hardcore masterpiece, man, do we pity you.

# TESSA

## **An Amateur's XXX Fantasy...Cum True!**

Ahhh, the lovely Tessa. Our housewife-next-door from the Dec. '04 issue, Tessa came to *V-Mag Central* with a dream...nay...make that a passion—to take thick cock on camera. And, as we like to say here at *Voluptuous*, where there's a will and a big pair of tits, there's always a way.

Tessa, we love your tits, and many readers who saw you in the Dec. '04 *Voluptuous* have commented about your beautiful, pink pussy, but what's up with the glasses? "I didn't have my contacts with me, and I wanted to be able to see everything. I had been waiting for this moment for so long, and I didn't want to miss a thing." So, was it good for you? "No, it was great! There's just something about having sex while somebody is taking your picture that makes it so hot. Honestly, this was the best sex of my life. Believe me, it's been so long since I got fucked that hard. I really needed that." Happy to oblige, Tessa. You ready for a cum bath? "From this big, hard, thick one? Oh, yeah! Bring it on!"
